ALLEGATION REPORTING GUIDELINES

For adults to whom a student reports an incident of abuse or harassment

1. Report from Student:

- **Listen attentively and stay calm.** Acknowledge that it takes a lot of courage to report abuse. Listen and be encouraging. Do not express shock, horror or disbelief.
- **Protect the student.** Ensure the safety and well being of the student. Remove the student from the situation immediately and from all contact with the alleged abuser or harasser. Reassure the student that this is for his/her own safety and is not a punishment.
- **Get the facts, but don't interrogate.** Ask the student questions that establish what was done and who did it. Reassure the student that she/he did the right thing in telling you. Avoid asking "why" questions. Remember your responsibility is to present the student's story to the proper authorities.
- **Be non-judgmental and reassure the student.** Do not be critical of anything that has happened or anyone who may be involved. It is especially important not to blame or criticize the student. Assure the student that the situation was not his/her fault and he/she was brave and mature to come to you.

- **Assure privacy but not confidentiality.** Explain that you will have to tell someone about the abuse/harassment to make it stop and to ensure that it doesn't happen to other students.
 - **Record.** Keep a written record of the conversation with the student as soon after the report as you can, including the date and time of the conversation. Use the student's words, and record only what has been told to you.
2. **Report this information** as soon as possible to the hosting Rotary Club (RYE) Counsellor: _____, District Chair: _____
 3. providing neither are the accused individual. This person will immediately notify the appropriate law enforcement authorities.
 4. **Avoid gossip and blame.** Do not tell anyone about the report other than those required by the guidelines. Care must be taken to protect the rights of both the victim and the accused during the investigation.
 5. **Do not challenge the alleged offender.** The adult to whom the student reports must not contact the alleged offender. In cases of abuse, interrogation must be left entirely to law enforcement authorities. *In cases of non-criminal harassment, the District RYE Chair and District Governor are responsible for having an investigation conducted and will be in contact with the alleged offender after the student has been moved to a safe environment.*
 6. **Follow-up.** After appropriately reporting the allegations, follow up to make sure steps have been taken to address the situation.

Note: More detailed procedures are provided to the Rotarians responsible for the students and are available upon request from interested parties.
